Silver Sneakers Yoga	A class using a chair to safely perform a variety of postures to increase flexibility, balance, and help with breathing and stress reduction.
Silver Sneakers Classic	This class will help increase muscular strength, range of movement and activities for daily living. A chair is offered for support. Props used are; hand held weights, resistance tubing with handles, and a small pliable ball.
Silver Sneakers Boom Mind	BOOM MIND fuses the best of Pilates, yoga, and athletic stretching in a way that makes these disciplines accessible to participants of multiple skill levels. Improvements in flexibility and posture, as well as injury prevention, can make a lasting impact on activity and independence. It also seeks to improve mind-body awareness and stress reduction through specialized breathing techniques
Yoga	An all levels Yoga flow class for everyone. Modifications will be given on more advanced moves. Blocks are available.
Cycling & Core	Cycling & Core works you aerobically to build endurance and speed while also build core strength. Abdominal exercises will be done standing or on the mat.
Zumba	Dance Party – A cardio format, combining various rhythms with movements that tone and sculpt the body.
Les Mills Body Pump	This full-body barbell workout will burn calories, shape and tone your entire body, increase core strength and improve bone health. This program is based on THE REP EFFECT , a proven formula that exhausts muscles using light weights, while performing high repetitions
Les Mills CORE	LES MILLS CORE™ is a scientific core workout for incredible core tone and sports performance. You build strength, stability and endurance in the muscles that support your core, improve balance, assist injury prevention, and become better at everything you do.
X-Treme Hip-Hop Step	A revamp of traditional step aerobics. Routines vary in fast and slow moves and are set to old and new school hip hop music, it makes you want to get up and move while getting a great calorie burn!
