The Child Care Business Office will contact the responsible parent to reconcile the balance and keep the account current. If a payment agreement is not reached or payment is not made, child care services may be suspended. YMCA OF CENTRAL STARK COUNTY

BEHAVIOR GUIDANCE/MANAGEMENT POLICY

The YMCA's goal is to set guidelines to develop a feeling of self-worth and competence for each child that results in social and emotional growth. The Y has developed a set of expectations that are developmentally appropriate for their group of children. YMCA rules are expected to be followed both in and outside of the Y building and at all times the child is in the program. Our disciplinary steps are based on an understanding of the individual child's needs and stage of development as well as each individual situation. It is our desire to help each child develop self-control, and respect for the rights of others. Please provide staff as much information as possible about your child at the beginning of care and throughout their time in the program to help inform this process.

At no time will any form of corporal punishment or shaming be used. Children are never deprived of food as a form of discipline. The entire group is not punished for the actions of one or a few. Children are not restricted from activities for extended periods of time.

Behavior Management Reports and Procedure:

When behavior management problems arise, staff will use a problem-solving approach to support children in resolving conflicts. If behavior concerns develop during this process, staff will utilize the Behavior Management Report to document the incident and report to parents/guardians. This form addresses the following behaviors with room for additional situations.

- Refusal to follow rules/cooperate with staff
- Leaving the group or staff without permission
- Continuous disruptive behavior
- Stealing/damaging of property
- Use of profanity, vulgarity or obscenities
- Endangering the health and safety of self, other children and/or staff
- Teasing/bullying of other children or staff
- Fighting of any kind

Staff will follow the below procedure for these incidents with children:

First Report: Written warning and parent/guardian will be contacted.

Second Report: The student will be sent home and serve a suspension. Parent/Guardian will be contacted and must discuss with Director.

Third Report: The student will be sent home and serve a suspension. Child cannot return until parent/guardian meets with a director to develop a specific behavior management plan.

Fourth Report: The student will be removed from the program and services will no longer be provided.

When there are recurring problems, sufficient attempts to follow the above steps have failed, and/or the behavior involved may result in unsafe conditions for the child, others or the program environment, immediate removal from the program may be necessary. These situations will result in an immediate "pick-up" and the child care director will determine the most appropriate next step. Each YMCA location reserves the right to skip steps in this process as deemed necessary. If removed from the program, the child will not be re-admitted to any child care program with YMCA of Central Stark County, unless specific exception is made at the time of the request.

Please initial each statement and sign below:

_____ I understand that in a crisis situation, my child may be physically held to prevent bodily harm to self and/or others, or the destruction of property. Step Up To Quality is a five star quality rating and improvement system administered by the Ohio Department of Jobs and Family Services that recognizes quality education based child care programs. We are proud to be a highly rated childcare program. Because of this, there are a few additional documents we ask you to complete annually:

- **FAMILY QUESTIONNAIRE**

The questions asked help our staff get to know more about your child in order to provide the most individualized care possible. Please complete all questions on this form and sign and date.

- **CHILD GOAL SHEET**

Every child is unique and special. We want to customize your child's experience in our program to ensure they are reaching developmentally appropriate milestones. We require all families to develop goals for their child during their time in our program. If you child is able, we encourage you to discuss and create these goals with them. Please sign and date the form to return with your packet.

We would love to discuss Step Up to Quality further with you. Please ask your Site Director or Child Care Director for more information!

If your child is in need of any specialized care, additional documents are necessary for registration. Please provide the most detailed and up to date information possible in order for our staff to be able to provide the highest quality of care.

If your child has an allergy, special health concern, medical condition or requires a food supplement/substitution, please fill out these additional forms:
